- **Enter your PIN code:** Punch in the 4-digit PIN we sent you. You'll hear a little beep and the keypad will flash with each digit you hit.
- **If successful:** Two faint beeps and a **blue flash** means you're good to go! Turn the handle and step inside.
- **If unsuccessful:** Two beeps and a **red flash** means something's off. The handle won't budge. Double-check and re-enter your PIN code.

If your PIN Code **doesn't work after 3 attempts**, give us a call or text at 705-647-2372. We'll do our best to get you verified and in. If we miss you, please leave a detailed message!
